Replacing the battery to the HP Pavilion g6-1b79dx laptop.

Written By: Rachel Gallegos

## INTRODUCTION

If your laptop will not charge or turn on, this is a guide to replace the battery.

## Step 1 — Battery

- Flip the computer so the bottom is facing up with the battery away from you.

⚠ Turn off the computer and disconnect the charger.

## Step 2

- Slide the battery switch to the left until the battery unlatches from the base of the laptop.

## Step 3

- Lift the battery from its compartment away from the laptop.

To reassemble your device, follow these instructions in reverse order.
